ABOUT THE JULIAN KRINSKY SCHOOL OF TENNIS

Since 1978, we've been helping players of all ages and levels make dramatic improvements in their games by enhancing fundamentals, focusing on court strategy and creating a competitive and supportive environment. JKST was founded by Julian Krinsky, once a player on the international tennis circuit. Today, the year-round academy offers two indoor facilities, as well as one of the world's premier summer camps. The programs are taught by full-time USPTA-, USPTR- and JKST-trained professionals.

TENNIS LESSONS

Private lessons are available by the hour or half-hour. Rates per person for lessons shared by two or more players are determined by the pro.
